

## Add or Reset your Library password

In order to use many of our online services you must have a password linked to your library card. This can be added or reset by you at home, however...

You must have an email address recorded and this is the address that the reset link will be sent to.

Click the **Check your card** link on the Library web page [www.mstn.govt.nz]

On the next screen click **Forgot your password?**

### Login

Spydus will remember your login information for this session only. To protect your privacy please make sure you logout when you have finished using Spydus.

\* Borrower ID or username:

Your borrower ID is the barcode from your library card.

\* Password:

Your password must be 2-10 characters long and contain only alphabetic characters and numbers.

Login

**Forgot your password?**

Not a member? Register now

Now you can enter your library card number & your Surname and a link to reset will be sent to the email address registered on your card.

Home > Reset your password

### Reset your password

Enter your details below and we'll send you an email with a link for resetting your password. Your borrower account must have an email address. If you have forgotten your borrower ID or username, you can **reset using your name and email address**.

\* Borrower ID or username:   
Your borrower ID is the barcode from your library card.

\* Surname:

If you do not have access to your library card you can click on the words in bold **[reset using your name and email address]** and have the reset link sent by identifying yourself with your registered email address.
